PROUDLY INVITES YOU TO:

APRIL 7-10, 2010  
AUSTIN, TEXAS  
PRE-CONVENTION PACKET

Dear Fellow TJCSGA Members,

Greetings! Welcome to the new year of Texas Junior College Student Government Association! My name is Tanner Dewald and I am the Host College Representative for the 41<sup>st</sup> TJCSGA annual convention, representing my home college of Blinn College-Brazos Campuses.

My fellow Executive Board members and I are excited to be returning to Austin this year for our convention and have been hard at work since April planning the event to make it the best ever! Once again we are at the Hyatt Regency on Town Lake, and as always, our last meeting will be held on the floor of the House of Representatives. This is truly a memorable experience for every member of your delegation, to be able to sit in your elected representatives chairs as we finalize our business for the year and usher in a new board for TJCSGA!

In order to help you plan for the convention, we have put together this packet to inform you of the new features of our registration program, allow you to have a physical reminder of the delegates you have registered, their shirt sizes and alternative meal selections. This will also help us, your host college, to expedite the registration process and check you in as efficiently as possible. Please remember, this is for your records only, we will only be accepting registrations from the TJCSGA.org website.

Perhaps the item that I am most excited about this year is a new feature in our online registration program. Now, once you register your delegates, you will also have the option to reserve your rooms at the same time. This will streamline your registration process as all rooms will immediately be applied to those reserved for TJCSGA. No more registering online and then calling to make reservations!

You will also find included a form to use when registering your students. This has all of the information that will be needed for them when you register online. This way, you will know that you have everything you need before you begin; no stopping and returning once you found out if your student wants an XL or an XXL shirt. We hope that you will find this a convenient document to have. Please remember that you can make changes to your registration until March 30, and substitutions can be made onsite.

We look forward to meeting you at convention!

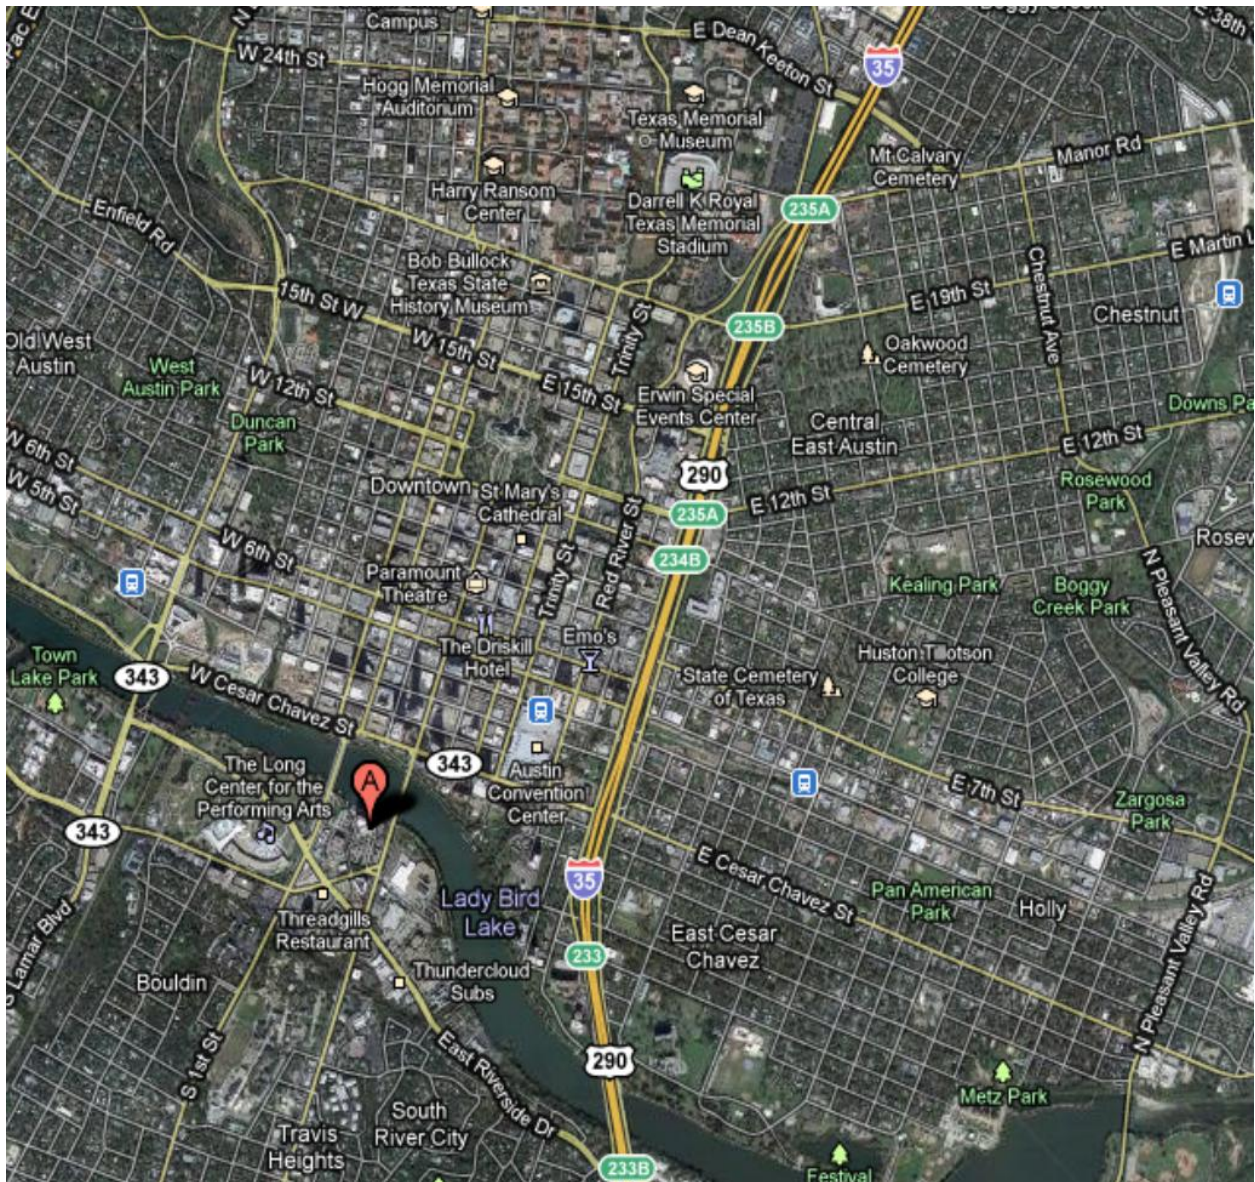

Tanner Dewald  
TJCSGA Host College Representative
