

# Campaign Room Cancellation

After much consideration the TJCSGA Executive board had decided to cancel the Campaign room event this year. There were many reasons we decided this. Here are a few:

1. It is usually scheduled during free time activities, and since we are in Austin, we thought we could allow everyone the chance to see this wonderful city.

2. The attendance of this event usually consists of only those campaigning with few other attendees.

3. With the economy the way it is and many schools having to cut back, we thought that this would help college save money on campaigning materials-It also helps decrease the amount of materials each school needs to pack and bring.

## Competition Changes

There are some changes that have been made to the competitions this year. Here they are:

- The event of the year and the community service of the year have been eliminated from the competitions. The Essay has been changed to accommodate these two elements of the competition.

## Amendments Deadline:

The deadline for amendment submissions is 11:59 pm Central Time on March 7, 2011!!
