Awards Committee Guidelines and Responsibilities

The Awards Committee shall be composed of up to four (4) members from each region. Each Region President may ask for volunteers from their respective regions to sit on the Awards Committee or may select appointments as needed. Advisor and Student of the Year nominees may not serve on the Awards Committee. The TJCSGA Executive Board may also appoint up to twelve (12) external judges not affiliated with TJCSGA. The TJCSGA President has final appointment approval.

Members of the Awards Committee are charged with examining each submission assigned to them. These submissions represent countless hours of work and thought. The consideration of these entries is of high importance. The first order of business will be the committee's selection of chair by a poll vote within the first meeting. The executive board shall appoint up to two (2) advisors to serve as ex officio members of the committee. In addition, the President of TJCSGA serves as an ex officio member of this and the other committees excluding the Nominations Committee.

It is the committee member's responsibility to thoughtfully consider the merits of each submission and not to rush through them. **It is mandatory that notes be made on each scorecard to justify their score of the submission.** Also, remember that each submission has been completed to the best of the ability of the member colleges with only those resources available to them. If disqualifications occur after the submission process, it is the responsibility of the committee to come to a consensus in these cases and to provide justification for disqualification on the scorecards for the submission.

The committee shall be divided into a maximum of four (4) groups with an equal number of region representatives. The external judges divided equally among the groups.

Once scores are submitted, both the highest and lowest scores of each submission will be dropped before tabulations. All scorecards must include committees supporting point values.

The members of the TJCSGA Executive Board are extremely grateful to the Awards Committee members for serving on this committee.

Competition Requirements and Judging Criteria

The purpose of these competitions is to allow the opportunity for students to reflect on the role of their SGA within their school and community, with an eye toward preparing future SGA members to continue their work. Successful entries will demonstrate the importance of the interaction of various student groups of their college towards common goals.

Each submission must be made to the TJCSGA Host School at the registration table no later than 9:00 A.M., the second day of the convention. The name of the college and the type of entry shall be indicated on each item and a completed Nominations Submission form, if required, will be submitted with each entry. Students must create all competition entries. No professional work will be permitted. All entries should be submitted in a legible text. It is imperative that all submissions fall within the guidelines of each category as failure to do so will result in disqualification for that entry. TJCSGA Judicial Policy must not be violated while at convention.

Each member of the Awards Committee shall be provided with a packet of scorecards to rate each entry. The committee will judge each entry solely on the merits prescribed in these guidelines. Deviation from these standards is not allowed. After scores are submitted, both the highest and lowest score of each submitted will be dropped.

The following awards will be presented for each category:

First Place - Plaque

Second Place - Certificate

Third Place - Certificate

Honorable Mention - to be given at the discretion of the Awards Committee.

The First Place Video and Song will be played for the General Assembly if equipment is available.

It is the responsibility of the Committee Chair to break a tie vote. Any discrepancy in the tie breaking vote will be brought to the Judicial Committee for review.

Student of the Year Award

The TJCSGA Student of the Year will be selected at the State Convention by the TJCSGA Awards Committee from nominees put forth by each Regional Association. One Student of the Year shall be selected. Each member college may nominate one student, and each Region will consider the nominations and select one student from that Region to be considered for TJCSGA Student of the Year.

Nominees for this award should exemplify the best attributes of a college student including, but not limited to academic excellence, involvement at their college, and involvement at the regional level. Only information pertaining to the current academic year will be considered for this award; therefore, it is necessary that each region select a nominee who will be attending the State Convention. Nominees may be requested by the Awards Committee to submit to an interview as the committee designates.

Examples of supporting documents could include but are not limited to a resume, transcript, letters of recommendation, etc.

The first-place winner of the TJCSGA Student of the Year Award will receive a scholarship that shall be paid to the college of their choice.
